

Saturday and Sunday's maths sheet. Big important notice for anyone who comes to weekly classes on Wednesday and Thursday... there definitely ARE classes this week! I think there may have been a bit of a mistake on the autumn programme timetable. We are all blaming Covid-brain! Anyway, Sarah will be at the hall as normal, come along and get taught, and remember that fun dress up is now encouraged! Also... if you know someone who does come to class, but doesn't do the daily maths sheet, maybe give them a heads up about the dressing up? Rachel :)
