

Monday's maths sheet, and as it is a bank holiday Monday, there are very few questions!

This was something that lots of people got wrong in the mock exams, so Sarah has made a video explaining how to do them- go to the homepage to find the link, and swot up! Love from Rachel 😊

In these questions the three numbers in each group go together in the same way.

Find the number that is missing from the third group.

1    42    (6)    6                    15    (4)    3                    56    (\_\_\_\_)    8

2    3    (20)    6                    7    (37)    5                    4    (\_\_\_\_)    4

3    10    (2)    8                    7    (3)    4                    11    (\_\_\_\_)    7

4    12    (18)    7                    7    (6)    0                    8    (\_\_\_\_)    4
